ICY BOX **IB-HUB1408-U3** 4 Port USB 3.0 Clamp Hub

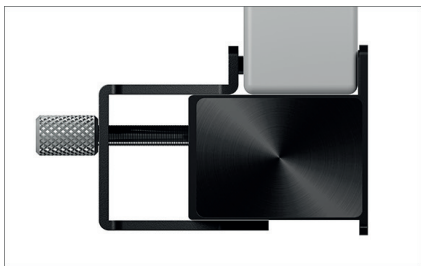

Super speed

With USB 3.0 you can reach transfer rates of up to 5 Gbit/s for each port so you need less time for transferring files and gain more time for anything else.

Easy access

Plugging or unplugging USB devices in the back of your computer can be like searching for a needle in a haystack. Make your life easier with 4 easy-to-access ports that seamlessly clamp to the front of your desk or computer monitor.

Easy installation

No screwdriver needed! Simply unscrew the bolt until the clamp is large enough to fit the monitor screen or your tabletop, then tighten the screw, connect the USB cable and it's done!
