

ICY BOX IB-DK406-TB3

Thunderbolt™ 3 Docking Station with dual DisplayPort™ interface

Key features

- High-grade aluminium case
- Works with any computer with Thunderbolt™ 3 interface
- Integrated Thunderbolt™ 3 connector cable (150 mm)
- Enables two DisplayPort™ monitors to work simultaneously
- Resolution of up to 2x 4096x2160@60 Hz
- Supports video mirroring extension mode for two monitors
- Includes one additional USB 3.0 Type-A interface
- Gigabit LAN RJ45 interface with up to 1000 Mbit/s

Packing content
IB-DK406-TB3, manual

Technical data

Model	IB-DK406-TB3
Article no.	60410
EAN	4250078167945
Brand	ICY BOX
Colour	Black
Material	Aluminium, PC
Chipset	TPS65983, ASM1042A, Intel WGI210AT, Alpine Ridge
Input interface	1x Thunderbolt™ 3 Type-C™
Output interface	2x DisplayPort™ interface 1x USB 3.0 Type-A interface 1x LAN RJ45 interface
Resolution	DisplayPort™ up to 4096x2160@60 Hz/each monitor
Transfer rate	USB 3.0 up to 5 Gbit/s LAN up to 1000 Mbit/s

Cable length	Integrated cable with 15 cm length
Power supply	Bus powered via Thunderbolt™ 3, 15 Watt
Operating system	Windows®, macOS®

System requirements

Important: Your computer must support Thunderbolt™ 3 in order to work with this adapter.

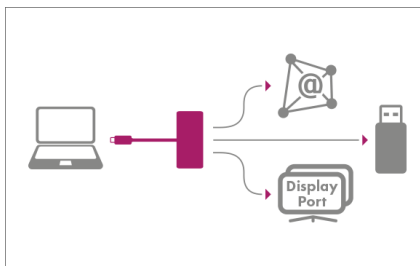

- 1x Thunderbolt™ 3 enabled Windows® / macOS® computer
 - 2x DisplayPort™ enabled monitors with cabling
- While Thunderbolt™ 3 utilizes the USB Type-C™ connector, not all USB Type-C™ interfaces support Thunderbolt™ 3. Please check the specifications of your computer system to confirm which Type-C™ ports on your computer support Thunderbolt™ 3.

ICY BOX IB-DK406-TB3

Thunderbolt™ 3 DockingStation with dual DisplayPort™ interface

Thunderbolt™ 3 on the go!

Notebooks with Thunderbolt™ 3 ports are becoming more and more popular, but appropriate Docking Stations are usually only available as stationary solutions with a very large number of additional ports. But what if you are on the go and don't want to do without the extra ports you have come to love? Enjoy the benefits of the IB-DK406-TB3 - one of the first mobile and buspowered Thunderbolt™ 3 Docking Stations on the market.

Display, Gigabit Ethernet & USB expansion

Lack of ports is the biggest drawback of ultra-thin notebooks. The Docking Station IB-DK406-TB3 is the ideal remedy for this problem because it adds two DisplayPort™ interfaces, Gigabit Ethernet and one USB Type-A interface to any Thunderbolt™ 3 notebook.

High resolution and MST function

Resolutions of up to 4K@60 Hz each for two monitors connected via DisplayPort™ sharpens your high resolution experience greatly. Using the two DisplayPort™ interfaces, you can mirror or expand your main screen. If your system also supports the MST mode, you can display the same or different content on the connected additional monitors.

Logistical data

Packing unit: 30 pcs./carton
Total weight: 7.6 kg/carton
Gross weight (with packing): 0.221 kg
Net weight: 0.145 kg

Dimension/carton: 420x320x270 mm
Dimension (with packing): 150x25x200 mm
Dimension of article: 123x65x20 mm
Country of origin: China
