Reference	Description	EAN Unit	EAN Carton 5 pces	EAN Carton 40 pces
ECHUBT650C	Emtec HUB 6-in-1 Type-C T650C	3 126 170 164 193	3 126 170 164 209	3 126 170 164 216

* Important remark:

To be able to stream to the HDMI port, the host device's Type-C port must be compatible with DP (Display Port) standard. Devices like MacBooks, newer ultrabooks, smartphones like Samsung S8/S9 or Huawei Mate Pro 10 are compatible with the standard, but some older devices might not be able to use the function.
