Dual-Curved Tempered Glass Side Panel for COSMOS C700 Series MCA-C700R-TGSP00-DBT

Make It Yours

The Dual-Curved Tempered Glass Side Panel is a panoramic tempered glass side panel with two curved edges offers a wide view of your system's internal components.

The tempered glass offer 3 to 5 times the structural integrity of regular glass.

Perfect bending with tempered glass requires a large amount of patience and precision. Curving the glass to the correct angle, preserving the exact dimensions after curving, and preventing surface defects are just some of the challenges present in the process.

Cooler Master has succeeded in mastering this process, not just once, but two times for every tempered glass side panel! This special dual-curved tempered glass side panel is not just unique, but currently the only one in the market.

Features

Dual-Curved Tempered Glass to fit perfectly with COSMOS C700 Series – A panoramic tempered glass side panel with two curved edges to offer a wide view inside your PC. It is an universal design to fit on both sides of the chassis.

Hinge & Door system to smoothly open and close the panel – Easily take off your panel for easy access and maintenance.

Toughened glass in 4mm thickness for stronger protection – It provides 3-5 times strength to regular glass

Dark black tinted glass softens internal illumination – Only see the subtle light effects inside your system.

Specifications & Packing Information

Product Name	Dual-Curved Tempered Glass Side Panel for COSMOS C700 series
Units per package	1 piece per package
Product Number	MCA-C700R-TGSP00-DBT
Available Color	Dark Black Tinted
Materials	Steel, Tempered Glass, Plastic
Dimensions (L x W x H)	603 x 531 x 48mm / 23.7 x 20.9 x 1.9inch
Net Weight	3.5 Kg / 7.7 lb
Gross Weight	4.9 Kg / 10.8 lb
Warranty	1 year

EAN code	4719512064412
UPC code	884102037085
Carton Net Weight	10.5 Kg / 23.1 lb
Carton Gross Weight	16.3 Kg / 35.9 lb
Retail Box Dimension (L x W x H)	668 x 588 x 68 mm/26.3 x 23.1 x 2.7 inch
Carton Dimension (L x W x H)	615 x 683 x 220 mm/24.2 x 26.9 x 8.7 inch
