2-Port USB-A Wall Outlet with Faceplate

Two Charging Ports, 5 V / 2.1 A Output, 80 x 80 European Faceplate
Part No.: 772181

The Intellinet Network Solutions 2-Port USB-A Wall Outlet with Faceplate lets you directly charge up to two portable electronic devices, such as phones and tablets, using only USB-A-compatible cables. Since no adapter is required, unsightly "wall warts" of chargers and their connected cables become a thing of the past. Enjoy a sleek, clean charging setup that helps keep countertops, tables and workspaces neat and tidy. The Intellinet Network Solutions 2-Port USB-A Wall Outlet with Faceplate is sure to simplify how you power up your devices, so they're ready to go when you are.
