Samsung Pay

### Minimalist and sporty design

The ultra thin Case workcrafted in light Aluminum or robust Stainless Steel is combined with a sporty silicon strap or an elegant leather strap is the perfect fit for any occasion. The astonishing sAMoled display is bigger than ever and offers an immersive viewing experience, showing notifications and tracking data clearly. The simple User Interface with the new digital touch bezel shows important information at a glance and the watch face can be customized endlessly.

### Health & Fitness

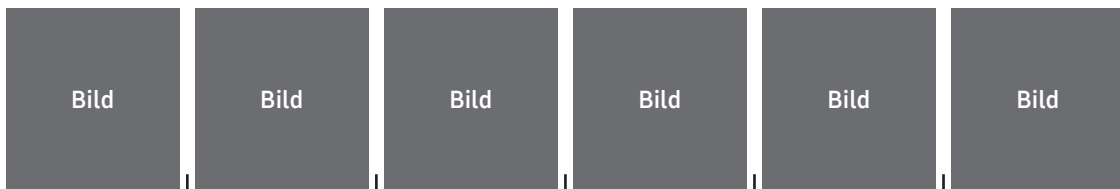

Galaxy Watch Active 2 helps beginners and advanced sportifs to enjoy the training more and to stay motivated. The improved interface and new sensors escorts you during indoor and outdoor activities precisely. New health features track your blood pressure, heart cardiogramm and sleep pattern which makes the Galaxy Watch Active 2 your best wellness assistant. Fall Detection releases an alarm when required providing safety at home and outdoor.

### Always connected thanks to eSIM

With the help of LTE connectivity, you are always reachable and connected to the internet wherever you are. You can simply and worryless pay with Samsung Pay or stream your favourite Spotify music during sport sessions.
