Product Description

The Lumbar Back Rest looks—and feels—like no other lumbar support. The unique shape supports and aligns your spine while the heat-activated memory foam construction molds itself to your body for a truly comfortable fit. 50% recycled content means that it supports the environment as well.

Features

- Unique shape supports and aligns your back
- Makes any chair ergonomic and comfortable
- Memory foam softens with body heat to mold to your back
- SmartFit system lets you quickly and easily set the most comfortable position for your back
- 50% recycled content in the foam pad to be environmentally friendly
