Secret 2-way for MacBook Pro 13" retina 2017, self-adhesive

The Secret 2-Way privacy filters prevent your display from being viewed from two sides (left/right ? in landscape).

The Secret 2-Way protective film not only prevents unwanted viewing of your display, but also protects against scratches. Additional product features include high mechanical resilience and ease of removal. The 2-way technology protects the display from being viewed by prying eyes from two sides: left/right (in landscape). A handy and effective way to ensure that no one but you can see your data. Ideal for use in a hotel or on the bus, train or plane.
