HIGH CAPACITY CASH DRAWER

E3000 Cash Drawer

High Capacity Cash Drawer for Retail Verticals

For more than 37 years, APG has been delivering innovative retail cash drawer solutions to retailers worldwide.

The E3000 is a ruggedised cash drawer which is easy for the retailer to adopt as it has the same footprint as many of its competitors layflat solutions. The E3000 is suitable for use in many retail verticals including Food, C-Stores, QSR, Hospitality, Specialty, Pharmacy and Petrol Forecourts (Gas Stations).

The E3000 with its ergonomic design and generously sized note compartments allow cashiers to give change faster and with an optional weighable coin cup accessory kit makes coin counting easy resulting in improved productivity.

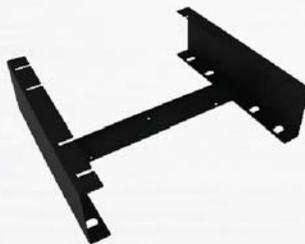

Till Options

Accepts Euro, Sterling, Canadian, Australian, New Zealand, and Singapore dollars, Swedish Kronor, and South African Rand currencies and is exchangeable with some common till footprints. Other till options are also available.

Anti-Tilting Safety Feature

Single M5 threaded insert provided for safe attachment of cash drawer to counter top (M5 screw not provided – depends upon counter top type).

Under Counter Mounting Bracket

The E3000 has been designed to interchange with the Cash Bases SL3000 UCMB to provide the retailer with protection of investment and seamless upgrading.

Lock / Media Slots

Includes three Function Cam-Lock and Two 120 mm (4.7 inches) wide media slots post into a generous 12 mm deep under till insert media space.
