## LC500H-12 V2.2

### Office Series

The OFFICE SERIES by LC-POWER offers a good price-performance ratio: thanks to its 120mm fan, the LC500H-12 V2.2 lets you experience a stress-free and silent work in your office as well as at home. Despite the low sound level, the power supply offers a good cooling capacity for your system thanks to its honey-comb styled ventilation grille on its back. The power supply features all relevant connectors of the office sector.

Including Active-PFC (power factor correction for an efficient use of the spent energy) and a PCI-Express connector for a powerful graphic card.
