

Delock Cable High Speed HDMI with Ethernet angled A-A / male-male 1 m

Description

This High Speed HDMI with Ethernet cable by Delock complies with the latest HDMI standard and combines fast data transfer as well as audio-/video- and internet connection. Thus you can connect e.g. your PC or o DVD/Blu-ray drive to a monitor or TV. The angled connector helps to reach also a HDMI port which is difficult to access. The HDMI-A interface is also downwards compatible to its forerunners and enables you to use your existing devices.
