

Delock Cable USB 2.0 A male > USB 2.0 A female ShapeCable 1 m

Description

This cable enables you to extend your USB 2.0 connection by ca. 100 cm and can be used to connect various devices. Because of a built-in wire the ShapeCable can be bent into any form and then maintains its shape. This can be used eg to neatly guide the cable or coil it to save space without forming loops.
