

Delock Adapter SlimPort / MyDP male > High Speed HDMI female + USB micro-B female

Description

This adapter by Delock with SlimPort / MyDP interface, a combination of USB and Displayport, complies with the connection of the latest smartphones. By using an optional HDMI cable you can connect e.g. your smartphone to a TV with HD support and watch pictures or videos in HD quality. Furthermore the adapter provides a standard USB micro-B female port on the backside. Connect the power supply of your smartphone to the USB micro-B port, in order to play a video and to supply power to your mobile device at the same time.
