

Delock Adapter MHL 2.0 Micro USB male > VGA female + USB Micro-female + Stereo jack female

Description

This adapter by Delock enables you to connect e.g. your smartphone to a monitor or projector by using an optional VGA cable. Furthermore the adapter provides a Micro USB female port. Connect the power supply of your smartphone or tablet-PC to the Micro USB port, in order to play a video and to supply power to your mobile device at the same time. The stereo jack transfers the audio signals.
