

Cable High Speed HDMI Ethernet – A male / male 10 m

Description

This High Speed HDMI with Ethernet cable by Delock complies with the latest HDMI standard and combines fast data transfer as well as audio-/video- and Ethernet connection. Thus you can connect e.g. your PC or a DVD/Blu-ray drive to a monitor or TV. The HDMI-A interface is also downwards compatible to its forerunners and enables you to use your existing devices. The higher cable gauge and the twisted data lines ensures a safe connection even for a length of this cable.
