Video Wall Mount PD03 VW MFS 46 55 L/P
## Front Serviceable Video Wall Mount

Universal videowall mount with manual front service for 46" to 55" XUN/S/V and UN551S/VS, landscape and portrait version. Recommended for videowall setups up to 2x2, max. 3x3

This wall mount is not only the perfect mount for single display installations. Together with specific connectors, this wall mount includes a variety of features to make multi display installations fast and easy. It is therefore the ideal solution for quick serve restaurants and for airport flight information boards. In addition optional video conference accessories make it the perfect choice for any kind of meeting room situation.

Landscape Mounting Solution

Delivering Genuine Benefits

- Supports an unlimited number of displays without configuration limitation

- Provides effortless tilting by using the center of gravity to balance the screen

- Post-installation lateral shift allows displays to slide apart and back together to simplify installation and maintenance

- Hear an audible click when the displays safely engage with the mount

- Provides low-profile, fingertip tilt

- Built-in cable stand provides easy access under the screen

- Optional Connector Kits easily connect mounts to create multi-monitor menu board configurations

- Optional accessories (Video Conference Shelf, Component Shelf, etc.) make it the perfect solution for video conferencing applications

- Pull-out / Prop-open mechanism provides quick service access

- Secure mounting hardware ensures the display remains safely locked against the wall

Pull-Out Accessory

Tool-less micro adjustment
