

Cable USB 2.0-A male > USB mini-B 5pin male angled 2m

Description

This USB 2.0 cable by Delock stands out due to its angled USB mini-B connector and is suitable for mobile devices e.g. HDD enclosure, digital cameras, mobile phones, navigation systems etc. The angled connector provides a stable hold inside the mini USB female port and can be used especially for ports which are difficult to access. The higher cable gauge for power line and the twisted data lines ensures a safe connection between your devices and computer
