SHOCK GAMING HEADSET

BLASTING RED

The SHOCK pro-gaming headset was introduced in 2011 as a gesture to demonstrate Tt eSPORTS' commitment to the E-Sports community, and the classic Diamond Black and Shining White are still the two most recognizable Tt eSPORTS gaming headsets in the community. Its 40mm stereo surround sound unit and its noise-cancelling microphone remain fans' favorite two SHOCK's features that continuously meet their gaming requirements, and in 2013 Tt eSPORTS introduce the new SHOCK Collections with 4 more color options to reflect Tt eSPORTS' unwavering passion and dedication in delivering the best gamer experience, offering each individual unique gamer an alternative choice for their headset. The new SUNFIRE Yellow, the BLASTING Red, the MARINA Blue, and the DYNAMITE Orange mirror each gamer's attitude, transfer the new SHOCK Collection to the game, and electrify your game before it begins.
