PRODUCT GUIDE  
**2012**

**PORT DESIGNS**

Leading European brand of computer luggage.

Founded in 1992, PORT Designs, manufactures and distributes a wide range of products and services suitable to cover all the needs of the mobile user. Computer bags, Backpacks and trolley cases for notebook, cases for cameras, projectors, hard disks, GPS and Tablet Cases.

**PORT Designs products are distributed in more than 30 countries worldwide.**

Our products are stored in 2 locations, in Asia and in Europe (warehouse of 5000 m2 based in Strasbourg)

**The PORT Designs services include:**

Product personalisation and fabrication of products to clients specifications.

**Product Personalisation :** An ideal way to convey the image and the values of your company, PORT can provide customised projects to offer your customers/employees a personal touch. Our sales team will advise you on the technical choices (enamel plate, embroidery, printing or screenprinting) according to your needs.

**Customisation :** Our Parisian in-house design team are able to create a product that exceeds our customers expectations and fulfils the relevant design briefing. We are able to create a pre-production prototype in less that 15 days and deliver the finished product within 13-15 weeks.

PORT Designs are a key partner within the private and public sector, our annual education programme supports the child's learning process and protects the technology of hundreds of thousands of school children and students across Europe.

All brands registered are property of their respective owners
