The StarTech.com
Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

InfoSafe 3.5" USB 2.0 SATA Aluminum HD Enclosure
StarTech ID: SAT3510U2V

The SAT3510U2V InfoSafe 3.5" USB 2.0 SATA Aluminum Hard Drive Enclosure offers a cost-effective storage solution for a wide variety of applications including file and application sharing between desktop and notebook computers, data archiving, or simply backing up existing hard drives to preserve data security.

Designed with modern computer systems in mind, the 3.5" USB 2.0 SATA Drive Enclosure is compatible with the IT industry's newest 3.5" SATA I (SATA 150) and SATA II (SATA 300) drives, and offers a sleek, sturdy aluminum casing that looks terrific next to any MAC or PC system. The SAT3510U2V is compatible with Apple's Mac OS X Leopard operating system, including its breakthrough automatic backup feature "Time Machine".

Applications and Solutions
> Easy add-on storage - perfect for home or office environment
> Terrific for backing-up your existing hard drive for extra data security, or archiving valuable data from desktop and laptop com
> Share important files and applications between computers

Features
> LED indicators for Power status and Hard Drive activity
