

# YEN FOLIO

Carbon Texture Leather Stand with Multi-Viewing Angles for iPad mini

## What is YEN?

The YEN is the official currency of Japan. The YEN FOLIO uses a unique YEN design that doubles as a stand. Now you can read, type and view your iPad mini in horizontal and portrait mode in total comfort. The carbon texture leather exterior is lightweight, strong, and luxurious. Your iPad mini is safe from drops and scratches without adding bulk to the already perfect size.

### Features

- Impeccable style of carbon texture with rubber coating frame
- Serves as both a smart cover and back case protection
- 4 viewing angles: 70° / 65° for Cinema, 45° for reading, 10° for typing
- Magnetic smart cover: Close cover to put iPad mini in sleep mode. Open to instantly wake up the device
- Microfiber inner lining protects your iPad mini from scratches
- Protective Hard-Shell case protects your iPad mini from dust, drops, and spills
- Available in five colors: Midnight Black, Charcoal Grey, Golden Bronze, Sky Blue and Silver White
