

Backpack Universal 14-15.6"

Light-weight backpack with removable notebook case

With its detachable laptop case, the Backpack Universal can be adapted to your individual needs and thanks to its high-density foam padding your laptop is fully protected all round. Whether you are heading out for business or leisure, with the Backpack Universal you are perfectly kitted out.

The large main compartment offers plenty of storage space, while the convenient partition ensures that your documents and accessories are always ready to hand. Umbrellas, water bottles and audio devices can be easily stored in the practical side pockets (featuring a cable output for headphones). The backpack has breathable padding on the back and adjustable shoulder straps for extra comfort. The reinforced base of waterproof material reliably guards against moisture and dirt. The in-woven reflective strips also give added safety in the dark.
