MediaRange Micro SDHC Card 32GB Class 10 with SD adaptor

MediaRange flash storage media are known for their extremely good quality and reliability. Our microSDHC cards are especially suited for use in portable devices like digital cameras, smartphones, navigation systems, music players and camcorders. The high speed transmission rates prevent delays when photographing, or when copying and downloading your digital data. We even include an adaptor which allows you to use the card as an SD or microSD card. The adaptor is compatible with all SDHC devices and immediately ready for use.
