

ITX 603

The new ITX-6xx line is impressive owing to its modern and timeless design and fit perfectly to modern living areas.

The good cooling characteristics of the ITX-601 can be optimized by installing an additional 50mm fan. It supports two 2.5" or hard drives which will be fixed on a removable tray. The option to mount a Slimline DVD offers the opportunity to assemble a compact Multimedia PC. The case can be secured with a Kensington lock to prevent theft.

The serial, external 60W power supply makes the offer complete.
