15.0" - 17.0"

Spacious 17" Notebook backpack with plenty of storage space

With the "BacPac Mission XL", DICOTA now offers one of its most successful Notebook backpacks in size XL. Notebooks up to 17" can easily be stowed in this comfortable backpack which comes in a modern, sporty design.

The effective safety padding made of High-Density Foam surrounds the Notebook on all sides, reliably protecting it. Further protection is provided by the Notebook strap which fastens the Notebook and prevents it from slipping. Documents and mobile equipment can easily be stashed in the large main compartment. The work station helps put cell phones, pens, keys and such in order.

The front compartment offers storage room for power supplies, cables and such. An MP3-/CD-Player or iPod can be tucked away in the protected multimedia compartment which features a water-repellent cable opening for head phones. Ensure maximum comfort during transport: the ergonomically formed shoulder straps, the breathable back padding as well as the adjustable chest/hip strap.

BacPac Mission XL is manufactured from durable, water-repellent Nylon/ Polyester. The reflective material on the front makes for maximum safety in dusk and dawn.

Comfortable Notebook backpack. modern, sporty design. large, padded 17" Notebook compartment (High-Density Foam). Notebook strap. spacious document compartment. workstation (cell phone, pens, keys etc.). integrated zipper pocket. front compartment for power supply and cables. multimedia pocket with water-repellent cable opening for head phones (MP3-/CD-Player, iPod etc.). water-repellent, durable material. reflective material on the front. ergonomically formed shoulder straps. breathable back padding. adjustable chest/hip strap.
