

# WINDOW SIDE PANEL

for Silent Base PC Cases

## IDEAL APPLICATIONS

Silent Base 800 PC Cases  
Silent Base 600 PC Cases

## HIGHLIGHTS

Double-glazed window for superb sound insulation  
Scratch and impact-resistant material of the window

The innovative side panel with double-glazed window fits all cases of the be quiet! Silent Base series and offers an excellent view inside your PC.

The polycarbonate window is scratchproof and impact resistant as well as sound-absorbent. A cavity of 9mm between the two panes of the window results in superb noise insulation.

In addition, the side panel's window is fitted with colored rubber seals in black, orange or silver, which further inhibits the emanation of sound and vibration.
