## Fast, Easy, and Fan-less

Buffalo™ Technology's new LinkStation™ 210D series combines the convenience and capacity of Network Attached Storage with an incredibly easy User Interface and super-quiet fan-less operation.

The LS210 is fast and ready for intensive data storage tasks and can even be set up via Smartphones with a new mobile-optimised and intuitive interface.

Buffalo's new LinkStation™ can also stream up to 4 HD films simultaneously allowing each family member to watch their favourite film, on their own device, at the same time.

All of this is combined with a free personal private cloud for remote access from anywhere via apps for Tablets and Smart Phones or via any web browser: keeping all your data at your fingertips no matter where you are.

Buffalo™ Technology's LS210 series is a single bay Network Attached Storage available fully populated with 2, 3 or 4TB capacity.
