

## TP-Link TC72 bewakingscamera Peer IP-beveiligingscamera Binnen 2560 x 1440 Pixels Plafond/bureau

**Merk :** TP-Link

**Artikelcode:** TC72

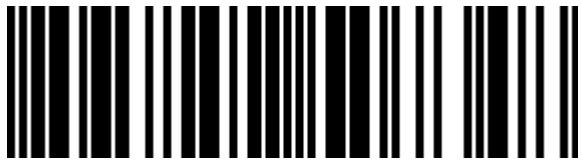

**Productnaam :** TC72

TP-Link TC72. Soort: IP-beveiligingscamera, Ondersteuning voor plaatsing: Binnen, Connectiviteitstechnologie: Draadloos. Montagewijze: Plafond/bureau, Kleur van het product: Zwart, Wit, Vormfactor: Peer. Field of view (FOV) hoek: 88°, Verticale gezichtsveldschoek (thermische module): 41°, Horizontale gezichtsveldschoek (thermische module): 75°. Type beeldsensor: CMOS, Omvang optische sensor: 25,4 / 3 mm (1 / 3"). Digitale zoom: 12x, Brandpuntbereik: 4 mm

<b>Performance</b>		<b>Audio</b>																																																					
Type *	IP security camera	Audio system	2-way																																																				
Placement supported *	Indoor	Built-in microphone	✓																																																				
Connectivity technology *	Wireless																																																						
Auto pan mode	✓																																																						
Maximum operating distance	10 m	Wi-Fi *	✓																																																				
Virtual assistant	Amazon Alexa & Google Assistant	Wi-Fi standards	802.11b, 802.11g, Wi-Fi 4 (802.11n)																																																				
Day/night mode	✓	Works with the Google Assistant	✓																																																				
Plug and Play	✓	Works with Amazon Alexa	✓																																																				
		Live view	✓																																																				
<b>Design</b>		<b>Storage</b>																																																					
Form factor *	Bulb	Compatible memory cards	MicroSD (TransFlash)																																																				
Mounting type *	Ceiling/Desktop	Maximum memory card size	512 GB																																																				
Product colour *	Black, White																																																						
LED indicators	✓																																																						
<b>Camera</b>		<b>Security</b>																																																					
Camera pan control	✓	Built-in siren	✓																																																				
Camera tilt control	✓	Siren noise level	99 dB																																																				
Field of view (FOV) angle	88°	Video motion detection	✓																																																				
Vertical field of view (thermal module)	41°	Motion sensor	✓																																																				
Horizontal field of view (thermal module)	75°																																																						
Tilt angle range	0 - 114°																																																						
Pan range	0 - 360°																																																						
<b>Image sensor</b>		<b>Power</b>																																																					
Optical sensor size	25.4 / 3 mm (1 / 3")	Power source type *	DC																																																				
Sensor type *	CMOS	AC input voltage	100 - 240 V																																																				
<b>Lens system</b>		AC input frequency	50 - 60 Hz	Zoom capability	✓	DC output voltage	9	Digital zoom	12x	DC output current	0.6 A	Focal length range	4 mm			Maximum aperture number	2			<b>Night vision</b>		<b>Operational conditions</b>		Night vision *	✓	Operating temperature (T-T)	0 - 40 °C	Night vision distance	10 m	Storage temperature (T-T)	-20 - 60 °C	LED type	IR	Operating relative humidity (H-H)	10 - 90%	Infra-red wavelength	850 nm	Storage relative humidity (H-H)	5 - 90%	<b>Weight &amp; dimensions</b>		<b>Packaging content</b>		Width	85.4 mm	Number of cameras *	1	Depth	86.8 mm	Cables included	AC	Height	117.7 mm	Screws included	✓
AC input frequency	50 - 60 Hz																																																						
Zoom capability	✓	DC output voltage	9																																																				
Digital zoom	12x	DC output current	0.6 A																																																				
Focal length range	4 mm																																																						
Maximum aperture number	2																																																						
<b>Night vision</b>		<b>Operational conditions</b>																																																					
Night vision *	✓	Operating temperature (T-T)	0 - 40 °C																																																				
Night vision distance	10 m	Storage temperature (T-T)	-20 - 60 °C																																																				
LED type	IR	Operating relative humidity (H-H)	10 - 90%																																																				
Infra-red wavelength	850 nm	Storage relative humidity (H-H)	5 - 90%																																																				
<b>Weight &amp; dimensions</b>		<b>Packaging content</b>																																																					
Width	85.4 mm	Number of cameras *	1																																																				
Depth	86.8 mm	Cables included	AC																																																				
Height	117.7 mm	Screws included	✓																																																				

Video		Packaging content	
Maximum resolution *	2560 x 1440 pixels	Anchors included	✓
Total megapixels *	4 MP	Mounting template	✓
Video compression formats	H.264		
Supported video modes	1080p	Packaging content	TC72 Camera, Power Adapter, Quick Start Guide, Mounting Screws, Mounting Template, Camera Base, Mounting Anchors.
Video recording	✓		
Frame rate	15 fps		
Audio		Logistics data	
Built-in speaker(s)	✓	Quantity per pack	1 pc(s)
