

ednet USB 2.0 Multi Card Reader

85241 4054007852410

USB 2.0 Card reader, 4-port
Supports MS,SD,T-flash,CF formats Black

Reads and writes data at high speed.

ednet's USB 2.0 Multi Card Reader reads and writes data to your notebook or PC at high speed. Thanks to Plug & Play, you simply connect the card reader to your computer and it is ready to start the data transfer. Can read and write to up to ten different card formats. ednet's USB 2.0 Multi Card Reader offers downward compatibility with USB 1.1, meaning that you can also work with older notebooks and PCs without any problems. Thanks to its small, compact housing, it can be placed anywhere, such as at home, the office or in your notebook case, allowing for use wherever you may be!
