

# Delock Mini DisplayPort 1.4 Adapter to HDMI 4K 60 Hz with HDR function Passive white

### Description

This adapter by Delock enables the connection of an HDMI monitor to the system via a free mini DisplayPort interface. The adapter supports a resolution up to 4K Ultra HD at 60 Hz and is backward compatible to Full-HD 1080p. By the support of the HDR (High Dynamic Range) function, the screen can be displayed sharper, clearer and more vivid.
