

Wall Charger | 3.0 A | USB (QC) / USB-C outputs | Power Delivery 30 W | Black

General information

This 30 W USB-C and USB-A desk charger allows you to charge as many as five devices at once. Smartphones, tablets, Nintendo Switch and many other USB-C or A devices can be charged without requiring a PC or notebook.

It's powerful enough:
To charge a small USB-C notebook and offers you a Quick Charge 3.0 connection and three Smart Charge USB-A connections for simultaneous high-speed charging.

Yet it's also small enough:
To be the perfect travel solution for portable charging.

Features

- Five USB connections - to charge five devices simultaneously
- Power Delivery (PD) and QC3.0 - for USB-C and USB-A charging
- 30 W charger - that's compact and portable
