

## TP-Link Wi-Fi 6 Internet Box 4 draadloze router Gigabit Ethernet Dual-band (2.4 GHz / 5 GHz) Wit

**Merk :** TP-Link

**Artikelcode:** VX231V

**Productnaam :** Wi-Fi 6 Internet Box 4

TP-Link Wi-Fi 6 Internet Box 4. Type WAN-aansluiting: RJ-45. Wifi-band: Dual-band (2.4 GHz / 5 GHz), Wifi-standaard: Wi-Fi 6 (802.11ax), WLAN gegevensoverdrachtsnelheid (max): 1775 Mbit/s. Interfacetype Ethernet LAN: Gigabit Ethernet, Ethernet LAN, data-overdrachtsnelheden: 10,100,1000 Mbit/s, Netwerkstandaard: IEEE 802.3, IEEE 802.3ab, IEEE 802.3u. Ondersteunde beveiligingsalgoritmen: WPA, WPA2, WPA3. Type product: Router om neer te zetten, Kleur van het product: Wit

| WAN-verbinding                                |                                       | Poorten & interfaces                |                               |
|-----------------------------------------------|---------------------------------------|-------------------------------------|-------------------------------|
| Ethernet WAN *                                | ✓                                     | Aansluiting voor netstroomadapter   | ✓                             |
| DSL WAN *                                     | ✓                                     | <b>Beheerfuncties</b>               |                               |
| SIM-kaartsleuf *                              | ✗                                     | Reset button                        | ✓                             |
| 3G/4G USB modem compatibiliteit *             | ✗                                     | WPS Push Button Security            | ✓                             |
| Type WAN-aansluiting                          | RJ-45                                 | <b>Beveiliging</b>                  |                               |
| Draadloos LAN                                 |                                       | Ondersteunde beveiligingsalgoritmen | WPA, WPA2, WPA3               |
| Wifi-band *                                   | Dual-band (2.4 GHz / 5 GHz)           | <b>Protocollen</b>                  |                               |
| Wifi-standaard *                              | Wi-Fi 6 (802.11ax)                    | DHCP client                         | ✓                             |
| WLAN gegevensoverdrachtsnelheid (max) *       | 1775 Mbit/s                           | DHCP server                         | ✓                             |
| WLAN gegevensoverdrachtsnelheid (eerste band) | 574 Mbit/s                            | <b>Design</b>                       |                               |
| WLAN gegevensoverdrachtsnelheid (tweede band) | 1201 Mbit/s                           | Kleur van het product               | Wit                           |
| Netwerk                                       |                                       | Type product *                      | Router om neer te zetten      |
| Ethernet LAN *                                | ✓                                     | <b>Certificaten</b>                 |                               |
| Interfacetype Ethernet LAN *                  | Gigabit Ethernet                      | Certificering                       | CE, DFS                       |
| Ethernet LAN, data-overdrachtsnelheden        | 10,100,1000 Mbit/s                    | <b>Inhoud van de verpakking</b>     |                               |
| Netwerkstandaard                              | IEEE 802.3, IEEE 802.3ab, IEEE 802.3u | Meegeleverde kabels                 | LAN (RJ-45), Telefoon (RJ-11) |
| Port forwarding                               | ✓                                     | Inclusief AC-adapter                | ✓                             |
| VPN eigenschappen                             | PPTP, IPSec, OpenVPN                  | Snelstartgids                       | ✓                             |
| DSL-eigenschappen                             |                                       | <b>Antenne</b>                      |                               |
| ADSL                                          | ✓                                     | Antenne-ontwerp *                   | Intern                        |
| ADSL2                                         | ✓                                     | <b>Energie</b>                      |                               |
| ADSL2+                                        | ✓                                     | Type stroombron *                   | AC, DC                        |
|                                               |                                       | Spanning                            | 12 V                          |

| DSL-eigenschappen                     |   | Energie                                |                 |
|---------------------------------------|---|----------------------------------------|-----------------|
| VDSL2                                 | ✓ | Output current                         | 2 A             |
| Poorten & interfaces                  |   | Eisen aan de omgeving                  |                 |
| Aantal Ethernet LAN (RJ-45)-poorten * | 3 | Bedrijfstemperatuur (T-T)              | 0 - 40 °C       |
| USB-poort *                           | ✓ | Temperatuur bij opslag                 | -40 - 60 °C     |
| Aantal USB 2.0-poorten                | 1 | Relatieve vochtigheid in bedrijf (V-V) | 10 - 90 procent |
| RJ-11 ports kwantiteit                | 1 | Luchtvochtigheid bij opslag            | 5 - 90 procent  |
|                                       |   | Gewicht en omvang                      |                 |
|                                       |   | Breedte                                | 214 mm          |
|                                       |   | Diepte                                 | 144,5 mm        |
|                                       |   | Hoogte                                 | 80 mm           |
