Ergonomische zit-sta-steun

Equip Ergonomische zit-sta-steun:

"Met de equip® ERGO 650840 kunt u uw bureau snel en eenvoudig veranderen in een ergonomische stawerkplek. Verhoog de standaard eenvoudig van 11 tot 51 cm. Dankzij de knijphendel met gasveer gaat dit soepel en moeiteloos. Met de ingebouwde gleufhouder en de lagere toetsenbord-/muistafel is er meer ruimte voor apparatuur en kantoorbenodigdheden. En kun je op een juiste manier zittend/staand werken, omdat je nekvervel ontlast wordt.

Multifunctioneel gebruik thuis en op het werk - om te spelen, te leren en te werken past perfect, om aan de onderkant van het tafelblad een uitsparing weg te werken voor mobiele telefoon of tablet, voor verschillende behoeften."

Features		Packaging data	
Mounting type	Desk	Package width	885 mm
