Thanks to the large front and side panels made of tempered glass, the case offers a great view of the interior - both from the front and from the side. There are 9 installation slots for fans available. These can be equipped with 120mm fans or with AiO water cooling in the sizes 120mm or 240mm.

Further the C-501 Aspect offers mounting space for two 2.5" SSDs and two 3.5" HDDs in a separate mount. The power supply, as well as remaining or overlong cables, is hidden behind the Mainboard holder.
